

California Environmental Protection Agency

AIR RESOURCES BOARD

Presents

Course #310 Comprehensive Cal/EPA Basic Inspector Academy

March 15-18, 2010

The Basic Inspector Academy (BIA) is designed to teach environmental agency inspectors and other environmental compliance professional's core knowledge and skills to encourage cross media awareness needed to conduct quality inspections.

A prerequisite to the classroom portion of this class is the Fundamental Inspector Course (FIC) which is an online course. The online course is approximately six to ten hours and must be completed before you attend the classroom training. The following fundamental topics are covered online: role of the inspector; science of environmental pollution; overview of environmental law; Cal/EPA Agencies, roles and responsibilities. Link for the online course is <http://www.arb.ca.gov/webtraining/>

The four-day classroom portion covers the following practical skills for environmental inspectors: inspection overview; elements of a violation; report writing; interviewing skills; sampling and evidence collection; report analysis; testimony skills.

More information on this course can be found at:
